6. **Site inspection & general information**

Intending Bidders are required to inspect the site of the Project with particular reference to location and infrastructure facilities. They are to make a careful study with regard to availability of materials and their sources and all relevant factors as might affect their rates and prices. They are also acquainted with relevant IS specifications, CPHREEO manuals, Clauses & Sub Clauses of the Bid documents and to have fully acquainted with all details of work front, communications, underground utility services, seasonal weather and its variation, labours, water supply, existing & proposed site levels, position and diversion of transportation and barricading, if required, electricity and any other general information including topological condition & existing level and level pertaining to and needed for the work to be completed in time properly.

7. **Tender documents**

A full set of tender documents consists of 2 Parts.
These are;

i) **Part I** containing all documents in relation to the name of the firm applied for and credentials possessed by them along with all documents as depicted in Sl. No. 3

**AND**

Section A: Description of the Project.

Section B: NIT/Conditions & requirements for Tendering.

Section C: General conditions of the Contract.

Section D: Special provisions.

Section E: General technical specification.

Section F: Detailed technical specifications for Civil works.

Section G: Specific Condition.

**Annexures A :**

i. List of instruments & Vendor Lists of Booster Pumping Station & HT/LT Sub-station.

ii. List of tools.

iii. List of drawings etc. To be furnished by the successful bidder

iv. Tender Drawings.

**Annexures B :**

i. Bank Solvency Format

ii. Performance Guarantee Format

iii. KMDA Form-I

iv. Undertaking for Non-Deviation Format.

v. Format iv

ii) **Part II** containing following documents;

a. Bid Price / Price Schedule (BOQ).

8. **Validity of Bid**

A Bid submitted shall remain valid for a period of 120 calendar days from the date set for opening of Bids. Any extension of this validity period if required will be subject to concurrence of the Bidders.

9. **Withdrawal of Bid**

A Bid once submitted shall not be withdrawn within the validity period. If any Bidder/Bidders withdraw his/their Bid(s) within the validity period then Earnest Money as deposited by
10. **Acceptance of Tender**

Lowest valid rate should normally be accepted. However, the tender accepting authority does not bind him to accept otherwise the lowest Bid and reserves the right to reject any or all of the Bids received without assigning any reason thereof.

11. **Intimation**

The successful Bidder will be notified in writing of the acceptance of his Bid. The Bidder then becomes the “Contractor” and he shall forthwith take steps to execute Formal Contract Agreement in appropriate KMDA Form which may be purchased on cash payment from the office of the Superintending Engineer (FAWS), W&S Sector, KMDA and fulfill all his obligations as required by the Contract.

After the Bid is provisionally accepted, the Bidder shall submit detail Design, Drawing and working specifications phase wise based on existing site condition & proposed levels at site. If it is found technically correct and acceptable with proper examination by the concerned authority of KMDA, provisional approval of the submitted drawings will be accorded phase wise for execution.

Eventually, all the parts, Design, Drawings etc. of the successful Bidder shall be taken as a part of the agreement.

12. **Escalation of Cost**

There will be no escalation in cost for materials or labour and the contract price mentioned in the contract stands valid till completion of the O&M of the contract.

13. **Execution of Work**

The Contractor is liable to execute the whole work as per direction and instruction of the Engineer-in-Charge of the work after due approval of “The Superintending Engineer (FAWS), W&S Sector, KMDA”

14. **Payment**

The payment of RA as well as final bill for any work will be made as per the work done.
Influence  
Any attempt to exercise undue influence in the matter of acceptance of Bid is strictly prohibited and any Bidder who resorts to this will render his Bid liable to rejection.

Following clauses are to be adhering to by the concerned Bidder during the process of Bidding.

Persons having authenticated and having registered Power of Attorney may be considered lawfully becoming to be acting on and for behalf of the Bidder.

Sufficient care has been taken to avoid variance in between the contents of the listed documents in the Bid documents. However, if there is any variance between the contents of different documents, the provision of documents appearing earlier in the list shall prevail over the same provided in the contents coming later.

Imposition of any GST/duty/tax/rule etc. owing to change /application in legislations/enactment shall be considered as a part of the contract and to be adhering to by the Bidder/Contractor strictly.

In case of any dispute arising from any clauses of similar nature between bid documents and KMDA tender form, the decision of Superintending Engineer,(PAWS) will be final and binding.

All usual deductions for taxes i.e. GST, PF, IT, and Labour welfare Cess etc. as applicable will be made from the bills from time to time (please refer cl.57 of section C).

No conditional/ incomplete Bid shall be entertained.

a. Earnest Money will be deposited by the bidder electronically: online through his net banking enabled bank account, maintained at any bank or offline through any bank by generating NEFT/RTGS Challan from the e-tendering portal in favour of the Kolkata Metropolitan Development Authority. Intending Bidder will get the Beneficiary details from e-tender portal with the help of Digital Signature Certificate and may transfer the EMD from their respective bank as per the Beneficiary Name and Account No., Amount, Beneficiary Bank Name (ICICI) and IFSC Code and also e-procurement Ref. No.

In case, 2% of the quoted rate is higher than the Earnest Money mentioned above, then the balance amount which is higher than the Earnest Money of the Tender, will have to be submitted at the time of receiving LOI. If EMD submitted online is higher than 2% of quoted value then the difference will be adjusted with the Security Deposit.
Technical Bid & Financial Bid both will be submitted concurrently duly digitally signed in the Website www.wbtenders.gov.in. Tender document may be downloaded from website & submission of Technical Bid/Financial Bid as per Tender Schedule.

The Bidder, at the Bidder's own responsibility and risk is encouraged to visit and examine the site of works and its Surroundings and obtain all information that may be necessary for preparing the Bid and entering into a contract for the work as mentioned in the Notice inviting Tender, the cost of visiting the site shall be at the Bidder's own expense. Traffic management and execution shall be the responsibility of the Agency at his/her/their risk and cost.

Prospective applicants are advised to note carefully the minimum qualification criteria as mentioned in 'Instructions to Bidders' before bidding.

During scrutiny, if it is come to the notice to tender inviting authority that the credential or any other papers found incorrect/manufactured/fabricated, that tenderer will not be allowed to participate in the tender and that application will be out rightly rejected without any prejudice.

Before issuance of the work order, the tender inviting authority may verify the credential & other documents with the original of the lowest bidder if found necessary. After verification, if it is found that such documents submitted by the lowest bidder is either manufactured or false, in that case, L.O.A. / work order will not be issued in favour of the bidder under any circumstances.

The various documents comprising the full set of tender documents are complementary to one another and are to be taken as parts of a complete whole and mutually explanatory. These are subject to the provisions of Clause 5 (2) of the General Conditions of Contract and to the following condition.

a) If the stipulations in the various tender documents be found to be at variance in any respect, one will override others, only to the extent as those are at variance, in the order of precedence as given in the list below:

i) Schedule of Price given in Volume II.

ii) Descriptions of the Project – (Vide Section-A)

iii) Special Provisions - (Vide Section D)

iv) Conditions and Requirements for Tendering – (vide Section B)

v) Detailed Technical Specifications – (vide Section - F)

vi) General Conditions of Contract - (vide Section - C)

vii) General Technical Specifications (vide Section - E)

viii) Specific Condition ( vide Section-G )
Contractor shall have to comply with the provisions of (a) the contract labour
(Regulation Abolition) Act. 1970(b) Apprentice Act. 1961 and (c) minimum wages Act.
1948 of the notification thereof or any other laws relating thereto and the rules made
and order issued there under from time to time.

Where an individual person holds a digital certificate in his own name duly issued
him against the company or the firm of which he happens to be a director or
partner, such individual person shall, while uploading any tender for and on
behalf of such company or firm, invariably upload a copy of registered power of
attorney showing clear authorization in his favour, by the rest of the directors of
such company or the partners of such firm, to upload such tender. The power of
attorney shall have to be registered in accordance with the provisions of the
Registration Act, 1908.

INSTRUCTION TO TENDERERS/BIDDERS

1. General guidance for e-tendering
Instructions/Guidelines for tenderers for electronic submission of the tenders have been
annexed for assisting them to participate in e-tendering.

2. Registration of Tenderer

Any tenderer willing to take part in the process of e-tendering will have to be enrolled and
registered with the Government e-procurement system, through logging on to
www.wbtenders.gov.in The tenderer is to click on the link for e-tendering site as given on the
web portal.

3. Submission of Tenders.

3.1 General process of submission

Tenders are to be submitted online through the website stated. All the documents
uploaded by the Tender Inviting Authority form an integral part of the contract. Tenderers are
required to upload all the tender documents along with the other documents, as asked for in
the tender, through the above website within the stipulated date and time as given in the
Tender. Tenders are to be submitted in two folders at a time for each work, one is Technical
Proposal and the other is Financial Proposal. The tenderer shall carefully go through the
documents and prepare the required documents and upload the scanned documents in
Portable Document Format (PDF) to the portal in the designated locations of Technical Bid. He
needs to fill up the rates of items / percentage in the BOQ, downloaded for the work, in the
designated Cell and upload the same in designated location of Financial Bid. The documents
uploaded are virus scanned and digitally signed using the Digital Signature Certificate (DSC).
Tenderers should specifically take note of all the addendum / corrigendum related to the
tender and upload the latest documents as part of the tender.

3.2 Technical Proposal

The Technical Proposal should contain scanned copies and / or declarations in the
following standardized formats in two covers (folders).

A Technical File (Statutory Cover) containing:

i. Application for Tender (Vide Form-1)(to be submitted in 'Forms' folder)

ii. Tender Form No. 1(to be submitted in 'Form No 1' folder)
iii. Notice Inviting Tender (NIT) (to be submitted in 'NIT' folder)

iv. Earnest Money Deposit (EMD) - Scanned copy of remittance details of Bank instruments towards EMD as prescribed in the NIT, in favour of "Kolkata Metropolitan Development Authority" (to be submitted in 'EMD' folder) should be uploaded with the statutory cover.

v. Drawings if any (to be submitted in ‘Drawings’ folder)

Note: Tenders will be summarily rejected if any item in the statutory cover is not uploaded.

B. My Document (Non-Statutory Cover) containing

i. Certificates:

1) Professional Tax (PT), submission Challan and PAN Card details. Application for such addressed to the competent authority may also be considered.

2) GST registration certificate. (Non production of the document will result in GST deduction as per prevailing rules).

3) Bank Solvency Certificate from any Scheduled Bank not older than one year should be minimum of 35.00 crores.

ii. Company Details:

Joint ventures will be considered for participating of this tender. All credentials shall solely be in the name of applicant firm.

1. Trade License for Applicant Firms.

2. Memorandum of Articles for Limited Companies

iii. Credential:

Credential Certificate issued by an officer not below the rank of Executive Engineer / Divisional Engineer / District Engineer / Project Manager of the other State / Central Government Departments / Organisations to be submitted in ‘Credential’ folder. The scanned copy of the Certificate should be uploaded with the non statutory cover and the hard copy should preferably be submitted along with the non statutory documents.

iv. Balance Sheet:

Audited Balance Sheets of last three financial years with auditor’s certificate regarding annual turnover from contracting business in each year.

v. Addenda / Corrigendums: if published

Note: Contractors are to keep track of all the Addendum / Corrigendum / Pre-Bid replies issued with a particular tender and upload the same digitally signed along with the NIT Tenders submitted without the Addendum / Corrigendum will be informal and liable to be rejected.

vi. Others: Any other documents found necessary
Note: Failure of submission of any one of the above mentioned documents will render the tender liable to rejection.

vi. The bidder should not have record of poor performance or they should not have been blacklisted by any employer during the last 7(seven) years prior to the date of the NIT. Such abandonment or punishment will be considered as disqualification towards eligibility. A declaration in this respect through affidavit has to be furnished by the prospective bidders as per Format IV without which the Technical Bid shall be treated as non responsive. The scanned copy of the affidavit should be uploaded with the non statutory cover and the hard copy should preferably be submitted along with the non statutory documents.

3.2.1 Financial Proposal The financial proposal should contain the following documents in one cover (folder).

(i) Bill of Quantities (BOQ): The contractor is to quote the rate online through computer in the space marked for quoting rate in the BOQ (only downloaded copies of the above documents are to be uploaded, virus scanned and digitally signed by the contractor).

4. Submission of original copies of documents of Earnest Money Deposit:

Mode of Payment:

a. Earnest Money will be deposited by the bidder electronically: online through his net banking enabled bank account, maintained at any bank or offline through any bank by generating NEFT/RTGS Challan from the e-tendering portal in favour of the Kolkata Metropolitan Development Authority. Intending Bidder will get the Beneficiary details from e-tender portal with the help of Digital Signature Certificate and may transfer the EMD from their respective bank as per the Beneficiary Name and Account No., Amount, Beneficiary Bank Name (ICICI) and IFSC Code and also e-procurement Ref. No.

b. Time of submission: The scanned copies of remittance details towards EMD should be uploaded electronically latest by last submission date of tender.

5. Completion Certificate:

i. Completion Certificate for fully completed works during last 7(seven) financial years will only be accepted.

ii. Completion Certificate of work executed in KMWSA, KMDA will be considered. Completion Certificate of works executed in other Departments of State Government or organizations, like Public Works & Public Works (Roads) Department, Irrigation & Waterways Department, Public Health Engineering Department, Sundarban Affairs Department and various other State Government Departments, Zilla Parishads, West Bengal Housing Infrastructure Development Corporation Limited (WBHIDCO), West Bengal State Electricity Distribution Company Limited (WBSEDCL), Kolkata Metropolitan Development Authority (KMDA), Kolkata Metropolitan Water Sanitation Authority (KMDA), Kolkata Municipal Corporation (KMC), Other Municipalities, Hooghly River Bridge Commissioner (HRBC), Engineering Departments of Central Government and Organisations like Farakka Barrage Project (FBP) Authority, Railways, Kolkata Port Trust (KoPT), Such Completion Certificates are
5.1 Eligibility Criteria: As mentioned earlier in this chapter vide clause no: 2 in page B5.

5.2 Penalty for suppression / distortion of facts:

If any tenderer fails to produce the original hard copies of the documents (especially Completion Certificates and audited balance sheets), or any other documents on demand of the Tender Evaluation Committee within a specified time frame or if any deviation in the hard copies from the uploaded soft copies or if there is any suppression, the Tender Evaluation Committee upon suggesting suitable punitive measures will bring the matter to the notice of the Chief Engineer concerned immediately and the tenderer may be suspended from participating in the tenders on e-Tender platform of any division or circle of KMDA as per approval of the concerned Chief Engineer for a maximum period 3 (three) years. In addition, his Earnest Money Deposit will stand forfeited to KMDA. The Chief Engineer concerned will issue the necessary orders under intimation to the other Chief Engineers, e-Tendering Cell and also the Department, copy of such order should also invariably to be communicated to the Nodal Officer, e-Governance of this Department with a request to upload the same in the Departmental website.

5.3 Taxes & duties to be borne by the Contractor
Income Tax, GST, Royalty, Construction Workers' Welfare Cess and similar other statutory livery / to be borne by the contractor and the rate should be quoted accordingly after consideration of all these charges, Service Tax, and other taxes (if applicable).

5.4 Site inspection before submission of tender
Before submitting any tender, the intending tenderers should make themselves acquainted thoroughly with the local conditions prevailing at site by actual inspection of the site and taking into consideration all factors and difficulties like to be involved in the execution of work in all respect including transportation of materials, communication facilities, climate conditions, nature of soil, availability of local labour and market rate prevailing in the locality etc. and no claim, whatsoever, will be entertained on these account afterwards. In this connection intending tenderers may contact the office of the Executive Engineer, concerned with the work between 11.30 hours to 16.30 hours on any working day prior to date of submission of tenders.

5.5 Conditional and incomplete tender
Conditional and incomplete tenders are liable to summary rejection.

6. Opening and evaluation of tender

6.1 Opening of Technical Proposal
a) Technical proposals will be opened by the Tender inviting authority or his authorized representative electronically from the website stated above, using their Digital Signature Certificate.

b) The scanned copies of remittance details towards EMD should be uploaded electronically latest by last submission date of tender.

c) Intending tenderers may remain present at the time of opening if they so desire.
Cover (Folder) for Statutory Documents will be opened first and if found in order, Cover (Folder) for Non-statutory Documents will be opened. If there is any deficiency in the Statutory Documents, the tender will summarily be rejected.

e) The non-statutory documents in hard copy should be submitted if found necessary.

f) Decrypted (transformed into readable formats) documents of the Non-statutory Cover will be evaluated to finalize eligible tenderers.

6.2 Tender Evaluation Committee (TEC)

Committee will be constituted by the concerned Chief Engineer, if required for issuance of tender papers for high value tenders. This will function as Tender Evaluation Committee (TEC), for evaluation of Technical Proposals of the tenders. Otherwise prevailing system will be effective for evaluating tenders.

6.3 Uploading so summary list of technically qualified tenderers (1st round)

i) Pursuant to scrutiny and decision of the Technical Evaluation Committee (TEC) if formed for high value tenders, the summary list of eligible tenderers for a particular serial of work (whose Financial Proposals will be considered) will be uploaded in the web portals.

ii) While evaluation, the Committee may summon the tenderers and seek clarification / information or additional documents or original hard copy of any of the documents already submitted and if these cannot be produced within the stipulated timeframe, their proposals will be liable for rejection.

6.4 Opening and evaluation of Financial Proposal

(i) Financial proposals of the tenderers declared technically eligible by the Tender Evaluation Committee will be opened electronically by the Tender Inviting Authority from the web portal stated above on the prescribed date.

(ii) The encrypted copies will be decrypted and the rates will be read out to the contractors remaining present at that time.

(iii) After opening of the financial proposal the preliminary summary result containing inter-alia, name of contractors and the rates quoted by them will be uploaded

(iv) If the Tender Accepting Authority is satisfied that the rate obtained is fair and reasonable and there is no scope of further lowering down of rate, he may after having the comparative statement checked, upload the final summary result containing the name of contractors and the rates quoted by them against each work after acceptance of the rate.

(v) The Tender Accepting Authority may ask any of the tenderers to submit analysis to justify the rate quoted by that tenderer.

6.5 Procedures to be followed when one / two technically tenderers participated in any tender

a. Financial bid of technically qualified single / two tenderers will not be opened immediately.

b. 2nd call may be invited immediately after technical evaluation and uploading the list of the technically qualified bidder(s) of the 1st call after relaxation of the credential criteria to the extent deemed necessary by the Tender Inviting Authority and advertisement to the wholly circulated newspapers.

c. If such bidder(s) technically qualified in the 1st call intend(s) to change their rates quoted to the 1st Call, they need to participate in the 2nd call and submit fresh fee towards tender cost. However fresh EMD
need not be submitted and EMD submitted earlier will be considered. In case of non submission of fresh tender fee in the 2nd call, the rates quoted in the 1st call would remain valid while the bid submitted in the 2nd call will be rejected.

d. If such bidder(s) technically qualified in the 1st call does not participate in the 2nd call then the rate of 1st call would be deemed to remain valid in the 2nd call also.

e. After selection of technically qualified tenderers for 2nd call (in case new tenderer other than the existing tenderer of the 1st call), financial bid of both 1st and 2nd call would be opened.

f. Financial evaluation for acceptance would be made in a combined way considering both 1st and 2nd call following usual procedures.

g. However, as stated in cause 6.7(c), in case tender(s) 1st call submit(s) fresh tender in 2nd call, rates of 2nd call would be considered in the process of evaluations.

h. In case there is no fresh participation in the 2nd call, financial bid of the technically qualified tender(s) of the 1st call would be opened even if there is only one tender in the 1st call and would be considered in the process of evaluation for acceptance following usual procedure.

7. Acceptance of Tender

Lowest valid rate should normally be accepted. However, the Tender Accepting Authority does not bind himself to do so and reserves the right to reject any or all the tenders, for valid reasons.

7.1 Execution of Formal tender after acceptance of tender

The tenderers, whose tender is approved for acceptance, shall within 15 days of the receipt of Letter of Acceptance (LOA) to him, will have to execute ‘Formal Agreement’ with the Tender Accepting Authority in six copies of KMDA Form No. 1 which may be purchased on cash payment from the office of the Superintending Engineer(FAWS) concerned with the work.

7.2 The NIT shall form a part of the contract agreement

On acceptance of the bid, the successful bidder shall have to sign the contract consisting of NIT, instruction to bidders, special terms and conditions, specification, BOQ, Drawing, Rate quoted, LOA and Tender Form-I.

8. Return of Earnest Money of the unsuccessful tenderer(s)

For return of the Earnest Money of the unsuccessful tender(s), he/she/they is/are to apply for the same to The Tender Inviting Authority, giving the reference to the work, NIT No., date of tender, amount and mode of Earnest Money deposited - all in a complete form. The Earnest Money of all tenderers other than the lowest Tenderer (unsuccessful Tenderers) in each case may be refunded without any interest to the unsuccessful Tenderers after award of contract to the successful Tenderer. The EMD of successful Tenderer will be converted as Retention money and shall be released after security period as mentioned in section C (vide Clause no-57(2a) in page No-C25 & 26).

9. Payment

The payment of RA as well as final bill for any work will be made as per the work done.

10. Security Deposit

Security Deposit towards Security Deposit amounting to 8% of the work value shall be deducted either from the R/A Bill to be deposited as per prevailing order. No interest will be paid on Security Deposit. Earnest Money as mentioned in NIT put to tender would be converted to Security Deposit in case of the successful bidder. Total 10% security deposit will be kept with this Authority. Apart from this 10% security deposit, 5% additional security deposit as performance guarantee will have to be deposited during acceptance of the Tender in the form of Bank Guarantee.

11. Withdrawal of Tender

If any tender found lowest after opening of the financial bids withdraws his tender before acceptance or refusal within a reasonable time without giving any satisfactory explanation for such withdrawal, he shall be disqualified for making any tender to the department for a minimum period of one year. All
For any queries / clarification regarding the uploading of documents and tendering process please contact the S.E.(FAWS), W&S, KMDA, Block-A, 6th Floor, Umnyan Bhawan, Sector-2, Salt Lake, Kolkata- 700091.

12. REJECTION OF BID

The Employer [tender accepting authority] reserves the right to accept or reject any Bid and to cancel the Bidding processes and reject all Bids at any time prior to the award of Contract without thereby incurring any liability to the affected Tenderer or Tenderers or any obligation to inform the affected Tenderer or Tenderers of the ground for Employer's [tender accepting authority] action.

The Tenderer who's Bid has been accepted will be notified by the Tender Inviting and Accepting Authority through acceptance letter/ Letter of Acceptance.

13. COPIES OF AGREEMENT

The successful Tenderer will have to submit 5 (six) sets [Excluding the original copy submitted at the time of tendering] of the Contract Document within 15 (fifteen) days from the date of receipt of the letter of Acceptance of Tender. Failure to do so within the specified time will constitute a breach of Contract rendering the Contract liable to termination with forfeiture of Security Deposit to the extent of the amount of Earnest Money with the Tender.

The above documents will have to be purchased from the office of the concerned Superintending Engineer[FAWS] against Rs. 500/- . All the copies must be signed on every page by the contractor and submitted to the Executive Engineer concerned within the specified time.

14. Undertaking for non-deviation through Notary Certificate in Non-Judicial Stamp paper

An undertaking for non-deviation through Notary Certificate in Non-Judicial Stamp paper of Rs. 50/- in the following prescribed format:

"Undertaking for non-deviation" as follows:

It is certified that our offer is strictly based on stipulations made in the tender document (Volume-I & II) and as per subsequent clarifications, if any, to be made by KMDA from time to time.

Even then, if there is any deviation in our offer from the tender document (Volume-I & II) and also deviation from the subsequent clarifications to be made by KMDA, it is confirmed that all deviations as mention above are here by withdrawn and stands cancelled.

It is certified that the incorporation of above certificates will have no financial implications on the price bid (Volume-II).

"This has to be certified by the Respective Tenderer."

15. If any of the above mention day which are (stipulated at Si, No 5) observes holiday / abnormality for reason whatsoever, the respective following working day shall be reckoned for the purpose.

16. Cost of Tender Document (Non refundable) Rs. NIL.

17. No mobilization advance & price escalation if any form will be allowed.

18. Original documents may be verified by the tendering authority at its discretion.

19. There shall be not any adverse report, on any count whatsoever, against the agency where they have worked for the last 7(seven) years.

20. The rate quoted shall be inclusive of all charges, any type of taxes, duties like GST, IT & all the labour related laws and benefits etc. applicable or as would be applicable from time to time during the term period of contract.

21. The Executive Engineer of the Division concerned will be the Engineer-in-Charge in respect of the contract and all correspondence concerning rates, claims, change in specification and/or design and similar important matters will
be valid only if made by the Engineer-in-Charge. If any correspondence of above tender is made with Officers other than the Engineer-in-Charge for speedy execution of works, the same will not be valid unless copies are sent to the Engineer-in-Charge and approved by him. The instruction given by the Assistant Engineer and the Technical Assistant on behalf of the Engineer-in-Charge shall also be valid (who have been authorized to carry out the work on behalf of the Engineer-in-Charge) regarding specification, supervision, approval of materials and workmanship. In case of dispute, the decision of Engineer-in-Charge shall be final and binding.

22. The acceptance of the tender will rest with the Tender Accepting Authority without assigning reason thereof. The accepting authority reserves right to reject any or all tenders without assigning any reason thereof.

23. There shall be no provision for arbitration.

24. The Bidder shall have to comply with the provisions of (a) Contract labour (Regulation & abolition) Rules, 1970(b) Minimum Wages Act 1948 or the modification thereof or any other laws relating thereto as will be in force from time to time.

25. Department shall not entertain any claim whatsoever from the contractor for payment of compensation on account of idle labour on any ground including non-possession of land.

26. The Government shall not be held liable for any compensation due to machines becoming idle for any circumstances including untimely rains, other natural calamities, strike etc.

27. Imposition of any duty / tax / royalty etc. whatsoever of its nature (after work order / Commencement and completion of the work) is to be borne by the bidder. Original chalan of those materials, which are procured by the bidder, may be asked to be submitted for verification.

28. Cess @ 1% of the cost of construction works shall be deducted from the Gross value of the Bill in Terms of Finance Department order No. 853-F dated 01.02.2006. Also it is instructed to register his Establishment under the Act, under the competent registering Authority, i.e. Assistant Labour Commissioner / Dy. Labour Commissioner of the region concerned.

29. VAT / Sales Tax/ GST, Cess, Royalty of sand, stone chips, stone metal gravel, boulders, forest product etc. Toll Tax, Income Tax, Ferry Charges and other Local Taxes if any are to be paid by the contractor. No extra payment will be made for these. The rates of supply and finished work items are inclusive of these.

30. All working tools and plants, scaffolding, construction of vats & platforms will have to be arranged by the contractor at his own cost.

31. The contractor shall supply mazdoors, bamboos, ropes, pegs, flags etc. for laying out the pipe work and for taking and checking measurements for which no extra payment will be made.

32. The contractor should see the site of works and tender documents, drawings etc. before submitting tender and satisfy himself regarding the condition and nature of works and ascertain difficulties that might be encountered in executing the work, carrying materials to the site work, availability of drinking water and other human requirements and security etc. The Engineer-in-Charge may order the contractor to suspend any work that may be subjected to damage by climate conditions. No claim will be entertained on this account. The contractor will not be entitled to any claim or extra rate on any accounts.

33. A machine page numbered Site Order book (with triplicate copy) will have to be maintained at site by the contractor and the same has got to be issued from the Engineer-in-Charge before commencement of the work. Instructions given by inspecting officers will be recorded in this book and the contractor must note down the action taken by him in this connection as quickly as possible.

34. The work will have to be completed within the time mentioned in the tender notice. A suitable work program is to be submitted by the contractor within 7(seven) days from the date of receipt of work order which should satisfy the time limit of completion. The contractor should inform in writing the name of his authorized representative at site within 7 (seven) days from the date of receipt of work order who will receive instruction of the work, sign measurement book, bills and other Govt. papers etc.

35. No compensation for idle labour, establishment charge or on other reasons such as variation of price index etc. will be entertained.

36. All possible precautions should be taken for the safety of the people and work force deployed at worksite as per safety rule in force. Contractor will remain responsible for his labour in respect of his liabilities under the Workmen’s Compensation Act etc. He must deal with such cases as promptly as possible. Proper road signs as per P.W.D. practice will have to be made by the contractor at his own costs while operating a republic thoroughfare.

37. The contractor will have to maintain qualified technical employees and/or Apprentices at site as per prevailing Apprentice Act or other Department Rules & Orders circulated from time to time.
38. Contractor shall provide sufficient qualified technical personnel (to be employed under the firm for at least 2 consecutive years) with sound knowledge and experience in execution of similar nature of works.

39. The contractor will have to accept the work program and priority of work fixed by the Engineer-in-Charge so that most vulnerable reach and/or vulnerable items be completed before the date needed by the Department due to impending monsoon or rise of water level or for other reasons.

40. The quantities of different items of work mentioned in the tender schedule or in work order are only tentative. In actual work, these may vary considerably. Payment will be made on the basis of works actually done in different items and no claim will be entertained for reduction of quantities in some items or for omission of some items. For execution of quantitative excess of any item beyond 10% or supplementary works, approval of the Superintending Engineer / Chief Engineer would be required depending on whoever be the Tender Accepting Authority, before making payment.

41. No departmental material will be issued.

42. Steel and Cement of specified brand as per the approval of the Department should be used in work.

43. Any materials brought to site by contractor must be subject to approval of the Engineer-in-Charge. The rejected materials must be removed by the contractor from the site at his own cost within 24 hrs. of issue of the order to that effect. The rates in the schedule are inclusive of cost and carriage of all materials to worksite. The materials will have to be supplied in phase with due intimation to the Sub-Divisional Officer concerned in conformity with the progress of the work. For special type of materials, relevant Data Sheet containing the name of the manufacturers. Test Report etc. will also be submitted in each occasion. Engineer-in-Charge may conduct independent test on the samples drawn randomly before according approval for using the materials at site. In this regard decision of Engineer-in-Charge is final and binding.

44. Quality Control Test Mechanism should be brought to the site by the agency.

45. Use of ready mix concrete of specified brand as per the approval of department will be allowed after approval of concrete design mix reports. Controlled use of fly ash and plasticizer of supplier of RMC as per the approval of department should be restricted so that durability of concrete does not hamper.

46. The said reservoir has to be structurally safe and sound suited to the local area at a reasonable cost and constructed based on contractor's own design vetted by Jadavpur University or equivalent University of repute subject to approval of the same by the department within the contract price. Soil Testing will have to be done by the Contractor at his own cost and report is to be vetted by the Jadavpur University or equivalent university before placing to the department within the contract price.
