Corrigendum/Addendum if any would be published on the website only.
Scope of Work:

1. Survey, planning, design and drawing of bio-remedial / phyto-remedial measures and construction of the structure and/or in-situ treatment for the same.

2. Planning and design to be done as per available necessary data at the downstream of the Khal/Drain connecting with river Churni within 500 to 1000 Mtr.

3. Design is also to be done considering tidal effect (if any) of the river Churni.

4. Construction of the structure for implementation of bio-remedial / phyto-remedial and/or in-situ treatment activities along the khal / drain.

5. Installation of necessary dozing equipments if necessary as per nature of the drain / khal and operation and maintenance of the same for 1 (one) year.

6. Any other methodology for treatment of khal/drain water with a target to reduce BOD / COD and other parameters like faecal coliform (FC) which causes pollution to river Churni.

Note - 1: Bidders are requested to submit their offer including a schematic drawing / planning with mentioning probable items of work and name of installation of equipments if required otherwise the bid will not be considered.

Note - 2: Bidders are also requested to consider the probable cost of conducting detailed survey to find out total number of outfalls / drains which are falling on the concerned khal including testing of sewage characteristic for the same.

Note - 3: Discharge parameters of the treated waste water shall be as per latest CPHEEO Manual.

Qualification requirements as listed briefly below are required to be fulfilled by the bidder. [Bidders are advised to refer to the bidding documents for complete details.]

Financial:

a. The Bidder shall demonstrate that it possesses a turnover equivalent to minimum of INR 1.00 Crore in each of the last three financial years preceding the date of submission of bid.

b. The Bidder shall demonstrate by submitting along with its bid, a banker’s certificate that it has available cash credit facility equivalent to minimum INR 50.00 Lakh as on the date of submission of bid.
Technical:
1. The Bidder shall provide evidence that it has designed, developed, built any type of khal rejuvenation work / infrastructural work / waste water treatment work / Lifting / Pumping Station etc. for this contract during last 5 years preceding the month of publication of NIT.

3. Scanned Copy of one affidavit before Notary will have to be submitted mentioning the correctness of the documents and a declaration of penalty debarment etc. faced by him under any Govt./Semi-Govt./Autonomous body/Institution through on line at desired location.
